Kingdom Children

Equipping African children for a lifetime of Kingdom service

MEMBERSHIP INFORMATION

Who We Are

Kingdom Children Inc. is a Canadian Christian charity that ministers to God's children in Kenya. Poverty, drought, and HIV/AIDS have left a generation of children without parents, without direction and without hope. In response, our mission is as follows: To equip at-risk African children for a lifetime of service to God, family and community.

What We Do

In partnership with the local churches and schools, we host a Saturday ministry that's packed with exciting programs and activities. We call it the Good News Club. Children participate every Saturday from age 5 until they graduate at 16. We believe that the children will be transformed by God's love during these formative years, and that this ministry will change the path of their lives.

Good News Club Curriculum

Our Beliefs

- 1) Children bear God's image.
- 2) God's love changes behavior.
- 3) Family units in Africa are under great pressure.
- 4) Communities must take responsibility.
- 5) Children need role models.
- 6) Children need to learn practical skills.
