Kingdom Children

Christian High Schools Uniting for Change in Africa

Join forces with Christian High Schools across Canada and partner with Kingdom Children in their mission to **equip African children** with the skills they need for life.

Dear Student Council,

Every year, billions of dollars are sent to Africa for food, water, clothing, and other basics we take for granted. **WILL THINGS EVER GET BETTER?**

YES! At Kingdom Children, we believe things will improve when

- 1) children learn **BASIC LIFE SKILLS** and
- 2) when they discover that **GOD LOVES THEM.**

Kingdom Children is already making a difference in the lives of many orphaned children in Kenya, and we want to share the ministry with even more.

JOIN US! We're challenging Christian High Schools across Canada to raise money that will be invested into these children's futures.

HOW? Plan a fundraiser, either with your class, or school-wide. We've got a few ideas to get your creativity flowing.

WHEN? Anytime in October, November, or December 2011

Follow the challenge on **FACEBOOK**. Share your ideas, events, photos, and videos.

Imagine the **IMPACT** if all Christian High Schools in Canada united for change in Africa. Keep reading for details on how to sign up in one minute or less.

In Christ,

Kingdom Children

Some **FUN, EASY** ideas for your school. These are not your typical fundraisers!

Mango Madness Month

Once a week sell tasty mango treats (smoothies, ice cream - whatever). Use the proceeds to buy mango tree saplings.

Why mangoes?

The KC ministry teaches kids how to grow and care for mango trees, which resist drought and bear fruit for up to 300 years. (1 sapling = \$3)

Chocolate Chicken Challenge

Hold a massive school-wide chocolate egg hunt. Students hunt in teams and each team pays to play. Ask local businesses to sponsor the hunt.

Why chickens?

Because their meat and eggs are a great source of protein for our kids. (1 chicken = \$5)

Garbage for Goats

Get everyone in the school to sell one item on Kijiji. Turn your families' old stuff into cash to buy goats for the children in Kenya.

Why goats?

Because they're cheap and easy to raise, and they provide milk, meat and income. (1 goat = \$30)

Oats to Amaranth

Make Goldilocks proud by hosting an oatmeal breakfast to the whole school. Serve it up Kenya style—in a mug—no spoons allowed. Use the proceeds to pay for amaranth—a nutritious and filling meal in Kenya.

Why amaranth?

Because children can't learn when they're hungry. We serve amaranth to the children every Saturday morning. (Meals for 50 kids for 1 month = \$100)
