

Kits 4 Kids

It's about kids...helping kids

Kits 4 Kids is a simple but powerful program that teaches our children in Canada that they have a role to play in God's Kingdom, even at a young age. It teaches them that as God's children, they were made to serve others, both within their own communities and around the world. It teaches them that there are other children in the world who desperately need love and compassion.

ACTS OF SERVICE

Each fall, participating children aged 5-12 are challenged to perform ten acts of service for their families, friends, and neighbours. For each task they complete, they earn a toonie. The program runs for about four weeks.

GIFTS OF LOVE

The toonies allow us to run the Good News Clubs in Kenya. The money is used to buy goats, chickens, mango tree saplings, as well as some basic necessities such as medicine and mosquito nets to prevent the spread of disease. These simple gifts of love are changing lives and transforming communities.

A MESSAGE OF HOPE

Kingdom Children is a registered Christian charity that ministers to children in Mwatate, a region of Kenya that has been ravaged by decades of poverty, drought, and famine. These desperate conditions have also left thousands of children orphaned by diseases such as HIV/AIDS and malaria. To these young people who have known only pain and loss, we bring the good news of God's love.

OUR UNIQUE MINISTRY

The Kingdom Children ministry is unique in that we help the local communities equip their most at-risk children with practical skills and spiritual knowledge. Every Saturday, the children gather for the "Good News Clubs," a time of energetic praise, worship, and training. The children attend the club for 11 years, starting at age 5; when they graduate at 16, they have learned how to live productive lives with Christ at the centre.

ROOTED IN CHRIST, GROWING IN FAITH

Since bringing the Kingdom Children ministry to Mwatate, we have seen the Holy Spirit at work. Minds are growing, hearts are softening, and communities are coming together. Only with the help of the Spirit could we ever hope to see such results.

The children are changing:

- They're using their new skills to earn income and pay their way.
- They're sharing their eggs with others.
- They're coming every Saturday, eager to take part in praise and worship.
- They're developing a genuine love for the Lord, and sharing it with others!

Where before there was despair, now there is hope. Amazing love!
